THE PROPERTY DETAILS

This home was purchased and gutted down to the studs. Everything new except the wiring (which was already done) and a 50 gallon water heater that was 5 years old. Luxury Vinyl Plank in family room, kitchen, laundry and baths. Spacious kitchen has walk-in pantry and would be perfect for a large island with stools but plenty of room as well for a table and chairs in the breakfast nook.

There is a 24 x 32 concrete pad already in place for a garage.
